

Give. Volunteer. Act.

Team Build. Make a Difference.

Volunteer in a Day of Caring.

A Day of Caring is a unique opportunity for your employees to come together with United Way and get to know our community. Take part in a meaningful, hands on volunteer project and help local community organizations while having fun!

United Way will match your group with a local non-profit organization and coordinate a project that compliments your priorities, schedule and corporate interest. Employees often get a chance to work together in new ways, and feel more connected to our community. Your organization gets recognized for giving back.

To ensure the best experience for your team, United Way offers flexible projects to suite your schedule.

Your participation will help strengthen social programs, services and partnerships that directly benefit those who use those services. It's amazing to see the impact of your donations firsthand.

Days of Caring projects:

- Are available year-round and are organized on a first come, first served basis
- Are available for small to large groups
- Can span a few hours or a whole day

Day of Caring ideas:

- Revitalize an local non-profit facility with a fresh coat of paint or a day of organizing
- Work alongside community residents to help beautify a neighborhood with yard work or participating in a community cleanup

For more information about the United Way Day of Caring, please contact Gillian Tidey at rda@uwcncvi.ca or 250-591-8731.
