<http://www.vancouverexecutivecoaching.ca/about-cam/>

The federal government, through the Homelessness Partnering Strategy (HPS), has funded a 12-month planning project to bring local agencies together to develop a multi-year plan to address homelessness in our community. Cam Keller is the consultant hired to help facilitate our community in the creation of that plan.

Background: In November and December 2016 many organizations came together to explore the issue of homelessness in the Cowichan region. In March of 2017 we came back together to design the process for how to work together more effectively to address homelessness, and to build the foundations for a Community Plan.

Parts 1 and 2 included:

1. History - What has gone on before today
2. Current State - What we are facing today
3. Future - What we want to see
4. Moving us forward - Developing the structure

Part 3 will be a presentation of the final draft of the Cowichan Plan to Address and Prevent Homelessness
